

Laura's School, Douglas and Buckley's of Shandon Street, are the stockists of the St. Angela's uniform. We are pleased to inform you that all items are currently in stock.

The majority of pupils and families choose to leave the purchasing of their uniform requirements until the last two weeks of August. This generates the 'back-to-school' rush.

During this rush it is difficult for us to ensure that all pupils get the quality of service that you deserve. In addition, in the unlikely event that we are out of stock of an item, it is difficult for us to ensure that these items are back in stock in time for the beginning of term. In order to avoid this inconvenience, we offer;
